Math Reading Kindergarten Vocabulary Spelling Spelling by Grade Grade 1 Grade 2 Grade 3 Grade 4 Grade 5 Grammar & Writing Science Science by Grade Kindergarten Grade 1 Grade 2 Grade 3 Cursive | Bookstore Math Reading Kindergarten Vocabulary Spelling Spelling by Grade Grade 1 Grade 2 Grade 3 Grade 4 Grade 5 Grammar & Writing Science Science by Grade Kindergarten Grade 1 Grade 2 Grade 3 Cursive | Bookstore Most nouns are made plural by putting an -s at the end (e.g. frog - frogs). These free worksheets help your kids understand 'more than one', as well as the singular versus plural form of words. Math Reading Kindergarten Vocabulary Spelling Spelling by Grade Grade 1 Grade 2 Grade 3 Grade 4 Grade 5 Grammar & Writing Science Science by Grade Kindergarten Grade 1 Grade 2 Grade 3 Cursive | Bookstore Understanding singular and plural words is an essential part of early language development, helping kids describe the world around them more accurately. Singular words represent one item (like "cat" for one cat), while plural words represent more than one (like "cats" for two or more). Teaching kids this distinction helps them communicate about quantities, express themselves clearly, and build a strong foundation in grammar. Learning these basics early gives kids a head start, so they feel confident using correct grammar in sentences later on. These singular and plural words worksheets are designed for preschool and kindergarten children to practice singular and plural forms through fun, nature-inspired activities featuring animals. The worksheets use real-world animal examples that kids love, making learning more reliable and engaging. With simple, clear visuals and prompts, these printable worksheets are both enjoyable and effective for young learners. And best of all, they're available as free PDF downloads—perfect for parents, teachers, or homeschoolers who want to give kids extra practice at home or in the classroom. To start the download, just click the worksheet(s) you want. Our printable singular and plural nouns worksheets teach children in kindergarten through grade 4 to form nouns that refer to more than one. While it's a cakewalk to form plurals of most nouns, some nouns call for special treatment like the word "child" whose plural is "children", and the word "deer" that is reluctant to change when pluralized. With an amazing collection of exercises to practice each rule and an answer key to help evaluate, this set of noun number pdfs is a valuable addition to your resources. Make headway with some of our free singular and plural nouns worksheets! Adding -S to Form Plurals Turn a singular noun to a plural noun that indicates more than one by adding an -s to the end of the singular noun. Kindergarten kids practice the basic rule with this printable singular and plural worksheet. Making Plurals by Adding -ES If the singular noun ends in -s, -x, -ch, -sh, ss, z, then form its plural by adding an -es. Best of all your grade 1 kids get to repeatedly practice this exercise and whip up the plurals in no time. Plurals Formed with -IES What's the plural of "candy"? It's candies. Change the y to an i and add an -es. A no-brainer, this section of our singular and plural nouns worksheet pdfs provides grade 2 children adequate practice in making plurals of such nouns. Plural Nouns with -VES Dedicated to nouns like "knife" and "leaf", which form plurals by changing the -fe or -f to v and adding an -s, it's amazing how this part of our printable singular and plural nouns worksheets hammers home the rule. Irregular Plurals Some nouns are irregular, there is no specific rule to form them. The only way to learn them is to memorize their plural forms. Figure out how many of the irregular plurals your grade 1 and grade 2 kids are aware of with this pdf. Plural Nouns Spelling Rules Chart Nine out of ten times the noun number is changed by adding -s or -es, but some nouns remain the same, while others take a new word. This printable singular plural spelling rules chart is the apt cheat sheet for 1st grade and 2nd grade kids. Rules to Form Plurals with Examples Your recipe for making smart plurals, this singular and plural nouns chart is backed up with examples and has four columns: types of noun, rule, singular, and plural, so it's easy to distinctly understand each rule. Singular and Plural Nouns Watch children read each sentence, comprehend the noun number, and look for nouns ending with -s or -es to tell plural nouns apart from singular. Give a full-on boost to their skills in identifying the singular and plural nouns. Rewriting Sentences Using Plurals Take your 4th grade kid's skills in forming plurals a step further as they rewrite sentences by changing the singular nouns as plurals. Remind kids to change the verb, as a singular noun takes a singular verb, and a plural noun needs a plural verb. Explore engaging and interactive Singular and Plural worksheets. Perfect for preschool, kindergarten, and UKG students to master noun forms with ease. Singular and plural forms are essential parts of learning English grammar.
