

I'm not robot

The Online Learning Centre is designed to provide a comprehensive resource for exploring English Essentials Canadian Edition. Students can access course-wide content, including diagnostic quizzes and an internet primer, through the navigation bar on the left. Each chapter offers additional resources, such as quizzes and writing exercises, accessible via the pull-down menu. Additionally, the centre provides downloadable supplements, including PowerPoint presentations and Instructor's Manuals, available for secure download. For students of McGraw-Hill Education textbooks, answer keys are available online, searchable by subject, book title or keyword, in both PDF and Word formats. McGraw-Hill Education is a prominent player in English-language education, with a presence in 44 countries and 60 languages as of 2015. The company's learning science firm offers educational services from prekindergarten to postgraduate levels, catering to both students and educators.
