Recent updates
November 4, 2025: We searched for any new Roblox promo codes, but FREENGNBOI and FREENGNCON are still the most recent additions. Roblox promo codes are always sought after by players looking for free bonus items, but they have become increasingly rare in recent times as this route is hardly ever used to release content now. The most recent additions to our list of promos were revealed towards the end of 2024, and we haven't received anything new to add to them so far this year - although the long-standing TWEETROBLOX code has finally expired, several years after Twitter rebranded.I've primarily set up this guide to highlight what items you can claim and how you can get them, but I also want to help you steer clear of unscrupulous content creators, who try to get more views of their Roblox content by pretending old codes are actually new ones or even making up entirely fake codes. At the time of writing I can guarantee that the information listed here has been tried and tested, to confirm it is 100% legitimate.As a lot of these codes tie in to a specific calendar period or event, they're often time-limited so you'll need to grab them as soon as possible before they expire. If you successfully redeem a code then you'll become part of an exclusive club of players who own that item, so you can show off your skills to others. We've had a long wait since the previous new Roblox promo codes launched in late 2022, but in December 2024 we finally got two fresh items to redeem with the Nguyen Boi Bundle and Nguyen Gon Bundle. Based on previous releases it's possible that these codes could expire at some point in 2025, so make sure you claim them as quickly as you can so you don't miss out. You may like To begin with there will only be a select few players who have access to these codes to keep them exclusive, but we want you to have as many impressive rewards as possible. For that reason we've compiled this list of all the currently working Roblox promo codes, along with an explanation of how to claim Roblox Prime Gaming codes and the lockdown whether there really are Roblox promo codes for free Robux or not. You can also search the Roblox Avatar Shop for free items, where you'll find loads of cool gear, accessories, emotes, and more to claim without having to spend any money. (Image credit: Roblox Corporation)Claiming any of these free items with Roblox promo codes is easy - just head to the official Redeem Roblox Codes page, log in if you haven't already, then copy or type the code into the box and hit the big Redeem button.FREENGNBOI = Nguyen Boi Bundle latest!FREENGNCON = Nguyen Gon Bundle latest!SPIDERCOLA = Spider Cola shoulder accessoryExpired Roblox Promo codes:100MILISEGUIDORES = Celebratory Backpack back accessoryAMAZONFRIEND2021 = Snow Friend shoulder accessoryCARREFOURHOED2021 = Pizza HatECONOMYEVENT2021 = Economy Team Cap hatFREEMAZONFOX2021 = Too Cool Fire Fox hatFREETARGETSANTA2022 = Upside Down Santa hatKROGERDAYS2021 = Golf ShadesMERCADOLIBREFEDORA2021 = White Flamingo Fedora hatROBLOXEDU2021 = Dev Deck back accessoryROSSMANNCROWN2021 = Crown of Electrifying Guitars hatsSMYTHSCAT2021 = King Tab hatTARGETMINTHAT2021 = Peppermint HatTWEETROBLOX = The Bird Says shoulder accessoryWALMARTMEXEARS2021 = Steel Rabbit Ears hatAs you can see, there are two more recent Roblox promo codes that have been added to the list above, and each of these actually unlocks a whole bundle of items for customizing your avatar. Many of the previously working codes have now been retired, so check back regularly and if you see any new codes arriving then make sure you try them as soon as possible.Weekly digests, tales from the communities you love, and moreThere are also Roblox promo codes you can redeem within specific games, then chose free items that are linked to them. These require slightly more work as you actually have to visit an area within each game to type in the codes, but it's worth it if you want to top up your inventory with some fresh gear... The last available item was the Flaming Hot Chip Head, which expired on January 2, 2024, and at the time of writing this has not been replaced with a new reward.Previous Prime Gaming rewards included the Delinquent Demon, Evil Clown Mask, Clutch Missile Launcher, Freaky Fly Face, Hungry Orca, Knife Crown - Murder Mystery 2, Cyberpunk Wolf Hat, Futuristic Mech Sled, Hovering UFO, Mardi Gras Steampunk Mask, Virtual Nomad Bundle, Void Sheep Shoulder Pet, Doggy Backpack - Mining Simulator 2, and Raven Hunter Hood - Tower Defense Simulator items, all of which have expired. I will monitor the situation with Roblox rewards, and update if anything new is added to the Prime Gaming site. (Image credit: Roblox Corporation)If you're looking for Roblox promo codes to get free Roblox then we're afraid you're out of luck, as this premium in-game currency isn't given away for nothing. In fact, if you see any websites offering you free Robux then you should stay clear of them and never give them any of your personal details, as they are almost certainly scams to steal your information. If you need to stock up on some Robux then make sure you check out what Roblox gift card offers are currently available, as you might at least be able to save yourself a bit of money.Looking for more Roblox codes to use? Jika berhasil, akan muncul notifikasi bahwa item telah ditambahkan ke akunmu. Kamu bisa menemukannya di Inventory (Invensi) di bagian Accessories, Hats, atau Gear tergantung jenis hadiahnya.
