## Financial accounting mcgraw hill 5th edition

David Spiceland is a renowned Accounting Professor Emeritus at the University of Memphis, with a strong academic background in finance, MBA, and PhD in accounting from top institutions like Southern Illinois University and the University of Arkansas. His research focuses on earnings management and educational research, with publications in leading journals such as The Accounting Review and Journal of Financial Research. He has received numerous university awards for his teaching, research, and technological innovations. David is also a co-author of McGraw-Hill's best-selling Intermediate Accounting text. Wayne Thomas is the W.K. Newton Chair in Accounting at the University of Oklahoma, where he teaches financial accounting and intermediate accounting. A former all-state linebacker, Wayne has received several teaching awards and won the Outstanding Educator Award from the Oklahoma Society of CPAs. He has published articles in top journals like The Accounting Review and Contemporary Accounting Research and is a co-author of McGraw-Hill's Financial Accounting text. Unfortunately, Don Herrmann passed away in 2013 after a battle with brain cancer. As a Deloitte Professor of Accounting at Oklahoma State University, Don was known for his teaching skills, particularly in financial accounting, intermediate accounting, and doctoral students. Don Herrmann, a renowned accounting professor at Oklahoma State University, passed away on May 8, 2018, after battling brain cancer for 14 months. He was remembered for his warm and welcoming personality, which made him a beloved figure in his community and church. Don was dedicated to serving others, whether it was hosting families and students in his home or coaching little league sports with his children. Above all, family was paramount to him, and he often reflected on the importance of loved ones as he battled cancer. His legacy lives on through his wife Mary, four children Rachel, David, Nathan, and Micah, and the countless individuals whose lives he touched. Don Herrmann's legacy lives on through his family and the impact he made on those around him. As a devoted husband to Mary and father to Rachel, David, Nathan, and Micah, he prioritized family above all else, cherishing moments spent camping, visiting amusement parks, and coaching little league sports together. During his battle with cancer, Don's thoughts often turned to his loved ones, whom he was incredibly proud of and expressed gratitude for humbly. Those fortunate enough to know him were enriched by his presence and inspired by his sense of purpose and strong foundation. This legacy continues through his family and the lives he touched, leaving behind a lasting void in the hearts of many. Don Spiceland is an accomplished Accounting Professor Emeritus at the University of Memphis, having received degrees from the University of Tennessee, Southern Illinois University, and the University of Arkansas. His research focuses on earnings management and educational studies, with publications in esteemed journals such as The Accounting Review and Journal of Financial Research. He has received numerous awards for his teaching, research, and technological innovations, including co-authoring McGraw-Hill's best-selling Intermediate Accounting text. Wayne Thomas is the W. K. Newton Chair in Accounting at the University of Oklahoma, where he teaches introductory financial accounting and intermediate accounting. A winner of several teaching awards, Professor Thomas has also published articles in prominent journals like The Accounting Review and Journal of Accounting Research.
